TO-GO!

We heard you!
**YOUR
VOICE
COUNTS**)))

Don't have time to sit and eat?

TO-GO is specifically designed for those guests who are always on the go. Use a meal swipe and enjoy your hot breakfast, lunch or dinner on the run!

How it works!

1. Receive a TO-GO bag full of three containers, a cup and silverware. Or bring up to two clean "Soar Above" Single-Use containers to use.
2. Swipe your ID with the cashier at the register.
3. The cashier will keep your card for **only 15 minutes**.
4. Fill your TO-GO containers with tasty foods!
5. Pick up your ID before you leave.

TO-GO is takeout only.

You will have only 15 minutes to gather your meal or a second meal swipe will be used.

Take-out food should be consumed within 1 hour of pick-up. After 1 hour, any remaining leftovers need to be discarded. Thank you for your commitment to keep yourself & others safe.
